PROVISION FOR BEREAVED CATS, LIST OF ACTIONS

Prior to your sudden incapacity or death, you may wish to make provision for your cat(s). We therefore suggest that you consider the following actions:

A. Specify the action to be taken at the time of your death -

- **Immediate care** naming a contact eg neighbour, friend or relation who can access and care for your cat(s) within hours and
- **longer term care**, eg Burmese Cat Club (BCC) Benevolent Fund (contact details in G below) to transfer your cat(s) to a safe house for care and rehome.

A suggested Form of Instructions is enclosed.

B. Make a friend, neighbour or relative aware of your Form of Instructions to expedite immediate action in the event of your death. (Remember to consider how they will gain access to your cats.)

C. Display instructions on a large Emergency Card in a prominent position in your home, and update them regularly. Include on the reverse of this card brief details of your cat(s) (eg name, DOB, sex, special requirements, and the name and telephone number of your Veterinary Practice).
A large Emergency Card is enclosed.

D. Make other relevant people, notably your Executors and/or Solicitor, aware of any arrangements you have made with regard to the welfare of your cat(s).

E. Always carry with you (in your purse/wallet and car glove compartment) a small Emergency Card to indicate that you are a cat owner. This will enable the Emergency Services to notify the named contact with whom you have a prior arrangement that your cat(s) will require care.
Two small Emergency Cards are enclosed.

F. As a back-up, include the Form of Instructions in your Will even though this is not generally read until sometime afterwards when it may be too late to honour your wishes if they have not already been publicised elsewhere.
A suggested form of wording is enclosed.

G. Name as a contact the BCC Benevolent Fund (Registered Charity No 1094488) c/o The Governing Council of the Cat Fancy, 5 King's Castle, Business Park, The Drove, Bridgewater, Somerset TAG 4AG. The GCCF staff will immediately forward communications of this nature to the current Hon Secretary of the BCC.

H. If you are making a donation in your Will to the BCC Benevolent Fund to be used for the welfare of your cat(s), any residue will be retained by the Fund.

I. Non-members wishing the BCC Benevolent Fund to take care of their cats should indicate their instructions as above. A donation for this purpose should be made direct to the BCC Benevolent Fund, c/o The Chairman whose contact details can be found at the end of this document and also on enquiry to The Governing Council of the Cat Fancy as above, or by means of a bequest.

J. Give the Club discretion to take the action considered appropriate at the time. It is most important that there is flexibility to avoid a cat being kept in long-term care. **EMERGENCY CARDS** One large and three small Emergency cards are enclosed with this document.

SUGGESTED FORM OF INSTRUCTION

CARE OF MY CAT(S) IN THE EVENT OF MY DEATH

To:

- A. Person who will take responsibility for my cat(s)
- B. Hon Secretary of the Burmese Cat Club
- C. Boarding Cattery Owner or Preferred Foster Home
- D. Any Other

These are my formal instructions for the rehoming of my cat(s). There is a clause in my Will directing that the Burmese Cat Club Benevolent Fund should be responsible for boarding and rehoming the cats and I have left provision in my Will to cover the cost. If this sum is insufficient I am assured that the Burmese Cat Club Benevolent Fund will provide the rest. If there is any surplus this will be retained by the Burmese Cat Club Benevolent Fund. Please make sure that anyone helping with rehoming has their expenses paid before any surplus is retained.

Until homes are found please board my cat(s) with *Details of Cattery*

Before making any definite arrangements please obtain the approval of someone who knows the cats well and who has agreed to help with rehoming them. I am very anxious that any person who is prepared to give my cat(s) a permanent home should be given free opportunity to meet them whilst in care and, in turn, be visited and assessed beforehand.

Details of my cat(s) are as follows:

Name, sex, DOB of each cat Specific preferences/medical requirements.

Daily routine/any other information to support their wellbeing. Suggested grouping of cats if there are several (in case it is not possible to rehome them all together). (Please state if any are inseparable.)
