Important

A few details to be aware of for our shows this year. In order to keep the running of the shows as simple as possible, and for this year only, each cat can only enter one miscellaneous class.

All entries are on-line through your GCCF login. Paper entries will not be accepted.

The show hall will open at 08.30. Vetting in will finish at 10.00 and judging will begin at 10.30. The show will close at 16.00 latest. We aim to finish before this time.

You will need proof of double vaccination for Covid-19 for all adults and family members (children exempt) who will be attending the show. You will need to record the name of all people attending when you enter.

To make checking easier and quicker, you can send proof by email in advance of the shows.

You will need to use the option in the NHS app to Download a PDF copy of the domestic NHS COVID pass and email a copy to us.

All exhibitors will be emailed with up to date Covid-19 requirements prior to the show.

SHOW RULES, PROCEDURES AND REGULATIONS

This show is held under Licence granted by the Governing Council of the Cat Fancy and is therefore subject to the Rules of the Council. Exhibitors are advised to obtain a copy of the Rules which may be obtained from the GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG. These Rules must be read by all, for they are not repeated herein, but will be strictly applied. Ignorance of any Rule will not be accepted as excuse of their breach.

The Committee reserve the right to: -

- a) Appoint other judges, should those advertised be unable to attend or fulfil their engagement, and to appoint further should they be required.
- b) Fix and limit the number of exhibits at the show
- c) To accept or refuse exhibit entry without giving reason
- d) Cancel, amalgamate or divide classes
- e) Publish a catalogue of the show containing information as to the exhibits and names of exhibitors
- f) Disqualify cat entered in the wrong class by exhibitors
- g) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- a) No other animals or pets will be allowed into the Show Hall other than exhibiting Cats, Kittens and Neuters

ELIGIBILITY OF EXHIBITS TO ENTER SHOW

PEDIGREE SECTION: all Cats, Kittens and Neuters of breeds recognised by, and registered with the GCCF, (except those registered on the Reference Register) are eligible for entry in the competition. To be effective for entry all registration and/or transfers must have reached the GCCF Office at least 21 days prior to the show. No Cats or Kittens, entire or neutered, born after 19.10.71, with one or both parents, grandparents or great-grand-parents unregistered shall be eligible for entry into Breed Classes.

Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

HOUSEHOLD PET SECTION: All unregistered cats, Kittens and Neuters or unknown or unregistered Non-Pedigree parentage are eligible for entry in the Non-Pedigree Section. Pedigree Cats, Kittens and Neuters (Registered or otherwise) or Cats previously listed as Pedigree Lookalikes' are eligible for the Pedigree Pet Section. All exhibits over the age of six months must be neutered.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the GCCF Board if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed at keeping your show entries trouble-free.

GENERAL GUIDELINES ON ENTERING SHOWS

Full Details of exhibiting at GCCF Shows are given in the GCCF Rules Section 4, available on the GCCF website under “About GCCF” and “Forms and Downloads” at www.gccfcats.org or can be purchased for a small charge post free by telephoning the GCCF Office. The following provides some additional explanation.

Where possible, always complete your show entry form using details from your GCCF Registration Certificate for the cat that is to be exhibited. Please print the details carefully to avoid any misinterpretation of your handwriting. If the Registration Certificate you have does not show your name and address this means that the cat is not registered in your name and you must transfer the cat into your name no later than 10 days before the show. Transfer can be done instantly using GCCF “Online Services” at www.gccfcats.org.

If you have not received your Registration Certificate at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

It is recommended that you keep a copy of your entry form – then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the show catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors’ letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day). Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated, or a change of exhibitor/owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate very clearly which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry form, but joint owners of an exhibit should always use the same form and at least one of the owners has signed the declaration.

Exhibitors are reminded that the decisions of the judges are final. Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge’s engagement has been completed, may render the offender liable to disciplinary action.

IF THERE IS A MISTAKE ON YOUR ENTRY– WHAT TO EXPECT

Minor Errors

Should a small error be made these will be resolved between the Exhibitor, Show manager and/or GCCF. Persistent repetition may result in further action being taken.

Incorrect Date of Birth

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show.

Adults - not less than 9 calendar months on date of show.

Incorrect Name of Exhibit/Owner

If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT Totally incorrect name

OWNER/ Joint when they should be single and vice versa

EXHIBITOR Declaration not signed by at least one of the registered owner(s) N.B. The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show.

Registration/Transfer Not Received by the GCCF 10 Days before the Date of the Show

These entries will be disqualified. Remember, the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**.

Transfer of Exhibit from Exhibitor to a New Owner Received by the GCCF More Than 10 Days before the Date of the Show

Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

Incorrect or Ineligibility of Class Entry

These will be disqualified from the class concerned – so always check with the Show Manager if in doubt about which class to enter.

If a breed number is changed officially, it is important that you notify the Show Manager immediately.

Exhibits entered in the Grand, Imperial Grand or Olympian class must have qualified on or before the published closing date of the show **which will include any extension published on the GCCF Website (amended 21.10.2015) and the title must have been claimed in writing by that date. Exhibitors who enter Grand, Imperial Grand or Olympian classes without claiming the title will be reminded once, but if the title remains unclaimed the cat will be disqualified from this class at subsequent shows.

Cats Registered on the Reference Register

Most cats registered on this Reference Register (CSREF) are not eligible to be shown and, therefore, these entries could be disqualified. One exception to this is when a new breed becomes recognised, and then cats of the breed may be shown, even if they were originally registered on the Reference Register as long as this was the only reason for the Reference registration

ON ARRIVAL AT THE SHOW

Exhibits will be received at the entrance of the Show hall **8.30 a.m. until 10.00 a.m.** the morning of the show. All exhibits must arrive the hall in a suitable secure container (top opening recommended) and must be accompanied by the owner or the owner's agent. If a cat easily be removed from the container it will not be vetted in or judged for Best in Show. Each exhibit will be examined by the Honorary Veterinary Surgeons, who are authorised to exclude any exhibit they consider unfit. No exhibit may be penned before examined. Exhibitors' passes will be issued at vetting in. Exhibits must have clean ears and coats free from pests. No pregnant or lactating queen, nor queens who have kitted within 12 weeks this show may be exhibited. No exhibit that has been declawed will be accepted, neither will male cats which are either monorchid or cryptorchid. Unfit exhibits must be removed by their owners and payment forfeited. If in the Duty Veterinary Surgeon's opinion it is desirable, all other exhibits from the same cattery and the owners thereof shall be debarred from attending the show. The Duty Veterinary Surgeons decision is final.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Manager shall obtain from the Vet the reasons and accordingly notify the GCCF within 48 hours of the show, ensuring a copy of the rejection form is forwarded to the exhibitor concerned. Exhibitors whose cats have been rejected at shows please note the following points.

1. When sending your clearance certificate to the Veterinary Officer please include copy of the rejection slip
2. **DO NOT** Send these certificates by delivery as this can cause considerable delays in the receipt of your certificates If you wish to satisfy yourself your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for receipt and this will be returned to you.
3. Exhibitors should not attend shows until they have received a letter from the Secretary confirming clearance. It is recommended this letter be taken to shows within a month of issue at the clearance letter

VACCINATIONS

All cats exhibited at shows held under GCCF Rules must have a current certificate of vaccination against FIE, FVR and FCV (Cat Flu). The full course, or booster, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the Show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Cats with an invalid vaccination certificate will be rejected under Section A. cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received in the Office.

Ensure that the certificate is properly completed and clearly indicates the identity of the exhibit and the owner to avoid confusion resulting in rejection. Homeopathic vaccinations **CANNOT** be accepted. NB a current certificate of vaccination is one which is not more than 7 days past the manufacturer's recommended interval between boosters.

VETERINARY LETTERS

In the past cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. **THIS IS NO LONGER APPLICABLE.** Such letters are no longer accepted at show and any exhibitor presenting a cat with any skin lesion indicative of ringworm is likely to be rejected at vetting-in. The GCCF Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesion indicative ringworm, however small.

PRESENTATION AND BENCHING OF EXHIBITS

Take pride in presenting your exhibit. Be sure it is comfortable, warm and relaxed. Exhibitors must provide each exhibit with a clean white blanket or blankets, (plain woven not cellular) of reasonable size to lie on (white vet-bed or like material with white or green backing may be used if preferred), a white food bowl and food, a white water bowl with fresh water and a white sanitary tray, with the exhibit's usual litter. All show equipment can be purchased at the show. Food containers must be removed from the pen before judging commences at 10.00am and can be returned after 12.30pm, water must be left in the pen for the duration of the show. Hot water bottles or heat reflecting materials are the only heating devices allowed and must be concealed by the blanket. None of the equipment in competition pens must bear any distinguishing marks.

No written or printed matter of any kind, other than official notices and award cards may be put onto competitive pens, except with the permission of the Show Managers. 'For Sale' notices are not allowed.

The use of grooming aids in the Show Hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or grooming substance may be left in the coat of exhibits. Exhibitors are reminded that using products which change the appearance of the coat could lead to disqualification. Such preparations are on open sale, often by stall holders, but we advise most strongly against their use.

Exhibits received into the show hall cannot be removed, without the permission of the Show Managers, prior to the closure of the show. Failure to observe this rule will lead to disqualification and forfeiture of any prize money and awards won. The show closes at 5.00pm or earlier at the Show Managers discretion. There will be no early removal passes issued.

JUDGING AND JUDGES

Judging will commence at 10.30am and exhibitors will be requested to clear the hall at this time until 12.30pm, whilst the Main Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of Judge of a Breed or Title class occurring after the closing date of the show, providing the exhibitor informs the Show Manager prior to judging that a certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other Judge who shall judge the cat and if the cat is considered worthy countersign the certificate which shall then count towards title status.

DEFINITION OF GCCF PEDIGREE CLASSES

BREED CLASS	Open to untitled cats of the specified breed. (Must be GCCF Registered)
GRAND CLASS	Open to Champion/Premier titled cats
IMPERIAL GRAND CLASS	Open to Grand Champion/Grand Premier titled cats
OLYMPIAN CLASS	Open to full Imperial Grand Champion/Imperial Grand Premier titled cats

(The above classes are collectively referred to as OPEN classes)

CATS:	Not less than 9 calendar months of the day of show.
KITTENS:	Not less than 14 weeks and under 9 calendar months on the day of the show. Since 1 June 2001, neuter kittens are entered in kitten Breed & Miscellaneous classes and compete for BIS Kitten. Neuter kittens of Preliminary Breeds should be included in Kitten Assessment classes where separate classes for Adult, Kitten and Neuter are scheduled.
NEUTER ADULTS:	Neuter adults may only enter Neuter Classes and may not compete with entire cats or kittens except in Club Classes which are scheduled to include Neuters. Where Best in Show is held, the best Neuter shall be considered against the best Entire Adult and Kitten for Best Exhibit in Show.
BREEDERS:	Exhibits bred by exhibitor/s. Cats originally registered in the Breeder's joint ownership but changed to single ownership of one of the Breeders can still be entered in this class. Cats originally registered in the Breeder's single ownership and changed to joint ownership with the Breeder should be entered in the Non-Breeders Class.

The status of the exhibit for entering restricted classes (i.e. Maiden, Limit, etc) shall be the cats' status on the date of entry, except where Section 2, Rule 7e regarding entry into Grand, Imperial and Olympian classes applies. The wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter; the wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.

EXHIBITS FOR ASSESSMENT CLASSES

Cats, kittens and neuters of those breeds with Preliminary recognition must enter the appropriate Assessment Class. Assessment classes are now competitive. Exhibits will be assessed and awarded a 'Merit' Certificate if considered by the Judge to meet the approved Standard of Points as well as being 'placed'.

CORRESPONDENCE

All correspondence must be accompanied by a stamped address envelope if a reply is required. Any complaint related to the Show must be forwarded to the Show Managers within seven days of the show.

NOTICE OF CHANGE

An announcement on the official GCCF website of any alterations or additions made to this schedule or in these regulations shall be deemed sufficient notice.

SHOW WITHDRAWALS AND ALTERATIONS

The last date for withdrawal of a cat from a show is the advertised closing date. After this date the cat/s concerned may not be withdrawn from the catalogue of the show and the 13 day rule about entering two shows within 13 days will apply. There will be no refund of entry fees if the cat is not present at the show but the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full. ALL WITHDRAWALS MUST BE IN WRITING. ALL ALTERATIONS AND/OR ADDITIONS TO ENTRY FORMS MUST BE MADE IN WRITING TO THE SHOW MANAGER. NB No telephone alterations and/or deletions will be accepted All exhibits MUST be entered according to their status at the closing date of entries.
